

Quad Bikes

Quad bikes will push your riding skill and agility to the limits.

You can hire our quad bikes at one of our venues across Norfolk and Suffolk or if you have enough space we can bring the quad bikes to your door we have a mobile track measuring 60 ft x 40ft and is oval in shape with a maximum of 3 riders per time.

The quad bikes available are a choice of -

90cc children/adult quad bikes,
with remote kill switch and automatic cut off fitted as standard one of the marshalls will have a remote kill switch which can be activated upto 100 feet away so safety is paramount all of our 90cc bikes can be restricted right down to walking pace so for the younger rider this is a great benefit.

125cc adult quad bikes

125cc adult quad bike, this is not for the faint hearted these are race quads and are very quick they are manual with 4 gears, a twist throttle these bikes are for experienced riders only .

Training

Full training is given by one of our experienced quad staff you will be shown the basics of quad riding and for those who master the basics restrictors will be taken off.

Booking

Booking couldn't be easier just call or e-mail one of our dedicated team and we can cater for your every need.

We have ten 90cc quads in different camouflage colours pink for the girls and blue and green camouflage for the boys. The 125cc quads come in orange with chrome race pipes.

We will provide marshalls and staff for all motorised events always putting safety first. The minimum booking time for an event is 1.5hrs and is charged at £120 per hour for three quad bikes discounts are available for longer booking times. We can supply the venue for you but this is at an extra cost. Delivery is free within our local area please call or e-mail for more information.
